Hi Christine,

FYI – this is about NWEA’s lawsuit alleging that we have not timely responded to her 2013 petition requesting federal rulemaking for WA’s aquatic life and human health criteria. We are requesting an extension to the court timelines so we can respond to the petition, which should moot the litigation. Thanks.

Thanks – I have pushed the call with Plaintiffs to Friday, April 7 at 1:00 EDT. That should give us some (but not a lot of) breathing room after your April 6 discussion.

Thanks,
Patrick
